Authorized By:	Library Board of Trustees/Library Director
Date of Last Revision:	9-2017

Homebound service is available to anyone living in Marathon County who is confined to home because of illness, accident, or disability. Deliveries are free to individual homes, nursing homes, elderly housing, and resident homes. Most materials that are available to walk-in patrons are available to homebound patrons. A library card in good standing is required; call Library Services Manager at 715-261-7242 for special circumstances.

Homebound service is provided by trained volunteers, coordinated by a staff member.
