

## Beanstack Changes

Starting May 1, 2025, the Beanstack app and website will no longer be available for MCPL patrons to participate in reading challenges such as **1,000 Books Before Kindergarten** and **100 Books Before Graduation**. These challenges will continue in paper form.

Beanstack was originally provided by the Wisconsin Department of Public Instruction as a digital tool for Wisconsin libraries to support summer reading programs during the COVID-19 pandemic.

If you have been using Beanstack to log your reading and want to save any information from your account (like badges or lists), please do so by **April 30, 2025**. Access to your account will no longer be available after that date.

Paper reading logs for **1,000 Books Before Kindergarten** are available at all MCPL locations.

Families can pick up a log during their next visit, and details are online at [www.mcpl.us/1000bbk](http://www.mcpl.us/1000bbk).

As for **100 Books Before Graduation**, exciting changes are coming soon! Details will be announced later this year. In the meantime, teens currently participating in the program using Beanstack can contact us at [ref@mcpl.us](mailto:ref@mcpl.us) for alternative tracking methods. Updates will be posted at [www.mcpl.us/100bbg](http://www.mcpl.us/100bbg).

## New! Mobile Printing

Print at any MCPL location using your own smartphone, tablet or computer—including options to send print requests from home or elsewhere!

### STEP ONE

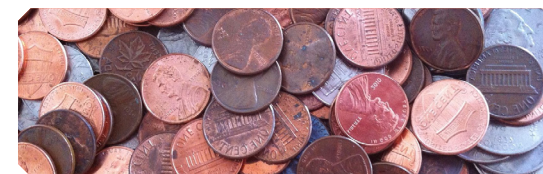

Send your files to your local MCPL's printer using the options at [www.mcpl.us/print](http://www.mcpl.us/print).

**QR:** Install the "Princh" app from your mobile device's app store and locate the library's printer.

### STEP TWO

Visit the library—if you're not already there—to claim your print job and pay (cash only).

For further assistance, just ask library staff!

## Print accounts are retiring!

The library's new printing system is strictly "pay as you go" and no longer allows patrons to maintain a balance for future printing.

Please use any remaining balance on your old printing account as soon as possible—**before the end of 2025**.

You may ask library staff to withdraw from this balance when printing on the new system.

If you're not sure whether you have a balance, please ask library staff to check your account.

## Take the LIFE Survey!

Marathon County residents are invited to complete the 2025 LIFE Survey, available online 3/1-5/31.

Your feedback will help improve our communities and shape the LIFE Report, a key resource for local organizations, leaders and decision-makers.

Visit [MarathonCountyPulse.org](http://MarathonCountyPulse.org) to take the survey!

Help us make sure that everyone has the chance to share their thoughts. Please share the LIFE Survey with family and friends who live in Marathon County. Every completed survey helps create a more complete picture of local life.
